

Operating instruction

■-RM-3335+

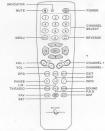

Prelude

Thank you for using our products! It is our honour to serve you. Read the instructions carefully before using our products for convenience.

About this Remote controller

RM-3336- multi-function can de controller is the latest product for SAT. It can control aimost all SAT made in Offina or abroad it has functions of manual and auto-searching. With its beautiful body shape and working indicator, it is easy and convenient for you to handle.

Panel Description

Installing the batteries

Open the battery lid and pay attention to the +/- marks. Insert two new AAA(size 7) batteries (not supplied).

Note on batteries

- Do not mix old batteries with new ones or mix different types of batteries together.
- If the electolyte leaks inside the battery compartment, clean it with a piece of cloth and replace the old batteries with new ones.
